Selection of platforms

The screenshot shows the ENACT web platform interface. At the top, there is a navigation bar with the ENACT logo, a user profile icon, and a search bar. The main content area is titled "Home" and features a search bar for courses. Below the search bar, there is a section for "ERASMUS+" with two course listings:

Course Name	Expiration Date	Progress	Action
ENACT Energy Auditor (EUROPE)	EXPIRES ON 05/12/2016	74%	INFO
ENACT Energy Auditor (KAPE)	EXPIRES ON 05/12/2016	9%	INFO

On the right side of the interface, there is a sidebar with several navigation options:

- Course catalog**: Find new courses
- Progress**: Find out how you are doing with your training
- Join group**: Join a group to communicate with its members and get its courses
- Discussions**: Hold conversations with fellow users
- Calendar**: View current and upcoming events

- is a good baseline to build a common framework within energy efficiency educational and job market.
- as bridge between EU standards and national actual situations.
- contribute to implementation of European Qualification Framework
- can boost/integrate the ongoing activities on 50002 and 16247 standard.

- Increase the number of pilots , more precise validation
- Spread the homogenization to the other EU countries in order to reach bigger recognition of an ENACT auditor(s)
- Expand the scope of the project and focus on other sectors (such as the public and other buildings, industry sector) tbc

Next recommendations cover:

- Effective implementation of ENACT EA qualification scheme (stakeholders involvement)
- Scope and content of the training programme
- Platform and training system
- Recognition of potential participants of the training – training needs per professional profile and competences areas
